##### Environment

Notice was given of the workshops being organised by North Melbourne Sustainability in 2009. These relate to how to make different residential types more sustainable in their energy and water requirements and performance. More information will be available next year.

#### 5. Election results

Our last meeting, where we invited all the lead candidates of the Lord Mayoral teams, was reviewed. Six out of our eight speakers were elected as Councillors and the seventh team was represented by a candidate further down the ticket. CoRBA has requested any feedback on the conduct of the election to assist in its review of the election. Thanks were passed on to those who assisted in the organisation of the night – Alba, Alan and Lorraine in particular.

#### 6. Transport (Victorian Transport Plan)

It was agreed that we should try to organise a briefing on the Plan in the New Year in conjunction with the Parkville Association.
